C Privacy Stamp
102182 Self-Inking

This self-inking stamp uses a unique pattern of lines, curves and shapes to help mask sensitive information on documents. Fantastic to use before faxing or making copies of documents to share with others. Not recommended for glossy surfaces. Use stamp on Federal ID numbers, Social Security numbers, bank account numbers, signatures, addresses and more.

D Security Pen
102184

INK COLOR: BLACK

This comfort-grip pen has a specially formulated gel ink that embeds itself to the paper fibers to help prevent against check washing and document fraud. Use this pen on important documents such as checks, tax forms, home mortgages, contracts, prescriptions, leases, birth certificates and passports.

E Counterfeit Detector Pen
SP1000

Detect counterfeit currency with a touch of a pen — gold/yellow means it is real, while a dark brown/black dot means it is suspect. A must for any business with a high volume of cash transactions. Each pen tests approximately 5,000 bills.

Keep your private information private.
